Dear Billy:

At long last I have a package to send you. I apologize for the delay, however, I have been without a secretary/assistant for several months which caused considerable delay.

Things are moving thanks in large part to the Seminar. The executive version of the video tape is a big hit. I will be sending a version to the Air Force office at Kelley in September/October so you can get a look at it over there some time after that. Editing the executive version was very time consuming since we condensed 2 1/2 days into 17-18 minutes. I gained a real appreciation for what film editors and news editors go through.

Enclosed are a set of photographs. In the rush of matters, the Certificate of Appreciation we presented you got through with a misspelled word. Please destroy it and replace it with the enclosed Certificate. Also enclosed is the list of names and addresses you wanted.

Many thanks for your help.

Best Regards,
